

# All Around Us

## OBJECTIVE

- *Enhanced perspective*

## CURRICULUM

- *Mathematics*
- *Angles and shapes*

## MATERIALS

- *White art paper*
- *Laurentien Erasable Coloured Pencils*
- *Ruler, compass*
- *Glue*

## DIRECTIONS

- *Have a discussion about shapes and how they appear in our daily lives*
- *Have the students draw a number of squares, rectangles, circles and triangles with different dimensions*
- *Have the students cut each of their shapes out*
- *Have the students glue their shapes into a practical example that utilizes shapes of all sizes, i.e. a house, a car, etc.*
- *Have the students colour their creation using techniques of shading to provide depth and dimension*
