

Improvisation

OBJECTIVE

- *Help students to learn to follow instructions*

CURRICULUM

- *Learning to give and take directions*

MATERIALS

- *Fineline and broadline Laurentien markers*
- *White or coloured paper*

DIRECTIONS

- *Give each student a piece of paper*
- *Ask each student to take out 3 crayons or markers*
- *Give students simple instructions to follow, for example:*
 - *Draw 3 circles*
 - *Connect 2 circles with a line*
 - *Draw two squares*
- *Compare the drawings and discuss how the students followed the instructions differently*
- *Allow students to take turns giving the directions*
