

My Team

OBJECTIVE

- Promote teamwork, communication skills, and creative solutions

CURRICULUM

- Teamwork, Creative problem solving

MATERIALS

- Laurentien Washable Markers or Crayons with a variety of points
- Paper

DIRECTIONS

- Have the students work with a partner and explain that there is no talking during this exercise
- One student draws a line on the piece of paper
- The other student adds one line to the drawing
- The students take turns adding a line to the drawing until the time is up
- Students finish the exercise and discuss what they think they have created and why they drew the lines that they drew
